

Quick eApp: Faster. Easier. Greener.

Quick eApp is our fast, easy and green electronic application process. With Quick eApp, you can submit secure client information electronically. It's an efficient way to increase productivity with less paperwork and hassle.

Benefits

- Immediate, electronic submission
- The right forms - every time
- Instant link from illustration to eApp system
- Potentially takes days off the application process
- Applications in good order (IGO) every time¹
- Streamlined underwriting processes

Convenience for you and your clients

- Client only signs once and eSignatures are applied to all required forms
- No entering duplicate data – client information carries through entire application
- Save and return to incomplete applications when convenient
- Several electronic signature options (see below)

eSignature options

You have several options to complete the eSignature process. This process eliminates the need for “wet signatures,” as well as mailed or faxed applications.

Face-to-face

- ✓ All applicants must be present.
- ✓ ID required.
- ✓ Application can be eSigned immediately.

eSignature combo

- ✓ Combines face-to-face method with traditional eSignature.
- ✓ One or more applicants are not present.
- ✓ Those available eSign immediately (ID required).
- ✓ Those not present provide eSignature via email process.

eSignature via email

- ✓ None of the applicants are present.
- ✓ An email with a link to a secured website is delivered to the applicants.
- ✓ They follow a few easy steps to electronically sign the application.
- ✓ Once eSigned, the application will be securely transmitted back to you. You eSign it and forward to Minnesota Life or Securian Life via a secured channel.
