

EASYLIFE

# THE BENEFITS

EasyLife, from Highland Capital Brokerage (HCB), incorporates the most up-to-date technology in both user experience as well as quoting, applying, and tracking business. Below are just some of the many benefits you'll experience with the new and improved EasyLife:

- Quote, apply, and track cases with a click of the mouse.
- Apply in multiple ways that best suit your needs:
  - **Drop Ticket** – Abbreviated E-Application
  - **E-Application** – Full E-Application
  - Paper – Fillable PDF
- Access **Accelerated Underwriting\*** options with ease.
- Combine **Accelerated Underwriting\*** and **Drop Ticket** to experience the most streamlined way to insure your clients.
- Stay informed with scrolling information sections.
- Keep support only a click or call away with your HCB Vice President and staff information easily accessible.

*\*Accelerated Underwriting is limited to certain carriers and generally for clients under age 60 and applying for less than \$1M, who are in good health.*

Visit [easylife.highland.com](https://easylife.highland.com) to experience EasyLife today or contact **your local HCB office** to get started!
